

2/26 Eagleview Place

ABOUT THE PROPERTY

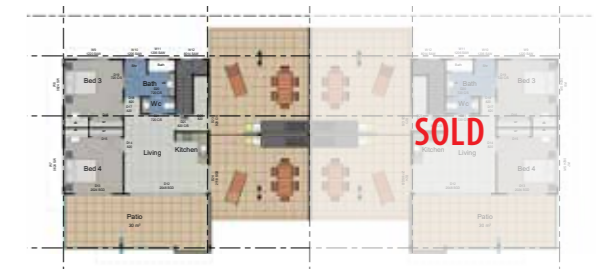

The Villa is located at the top of Smithfield's most prestigious sub-division Canopy's Edge. Built by Boutique Constructions, the villa features two separate living areas/ kitchens and two bedrooms on each level which have the option to be individually accessed. This allows the villa to be suitable for an extended family or for an investment – "Host My Home" estimate a price range of between \$180 and \$230 per night via Airbnb. [Depending on demand]

The ground floor features a carport large enough for 3-4 vehicles as well as sufficient space for a swimming pool.

The first floor of the villa features a large patio/deck area which can be sectioned off to be accessed from each living area.
